Title:	33 government school students have sudden allergy in Tirupattur, Tamil Nadu			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Tirupattur, SSU- Tamil Nadu			

A government high school is running in Minnoor area next to Ambur. More than 500 students from 6th to 10th standard are studying here. In this situation yesterday, more than 30 students suddenly developed allergies in their body and hands.

The teachers and parents who came to know about this were shocked and immediately admitted the affected students to Minnoor Primary Health Center for treatment. Students are being treated there.

Collector visited

Out of them 8 students were sent to Ambur Government Hospital for further treatment. They were tested there. After getting information about this, Collector Bhaskarapandian personally visited the students and asked the doctors. After that, there is no harm to the students. Collector said that all are in good condition.

Madanur Union Committee President Suresh Kumar, Revenue Commissioner Premalatha, District Medical Officer, doctors and others were present.
