| Title: | Over 150 pigs die of African swine fever in Sivasagar, Assam | | | |
| Action By CSU, IDSP -NCDC | Information communicated to DSU – Sivasagar, SSU- Assam | | | |

As many as 150 pigs have died in Sivasagar district of Assam due to African swine fever.

As per the district officials, the worst affected villages of Sivasagar include Dehing Kalghar and Jalukonibari. There are reports of carcasses and pigs along with those of infected piglets being transported from Panbecha, Banmukh, Betbari, Meteka and Hansara in the district.

The District office of Animal Husbandry & Veterinary Department stated that emergency procedures have already been put into place to curtail the menace. In order to stop further spread, the Animal Husbandry & Veterinary Department has strongly advised the people to undergo immediate culling for the infected pigs.
