Title:	20 children fell ill after eating poisonous fruit in West Bengal's Darjeeling district			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Darjeeling, SSU- West Bengal			

At least 20 children fell ill after eating poisonous fruit in West Bengal's Darjeeling district, officials said on Thursday.

The children were playing in a field at Monirom Jot village on Wednesday evening when they found the fruit and ate it on Wednesday evening, they said.

After eating the fruit they started vomiting and were rushed to Naxalbari Hospital.
