Around 140 people were admitted to hospital following a case of food poisoning that occurred at a wedding function held in the Kiliyil Plaza auditorium in Eramangalam.

As a result, they were rushed to the hospital on Sunday afternoon for medical attention.

After the food poisoning incident, around 80 people had sought treatment at a private hospital in Puthanpalli. Rest of them were taken to a private hospital facility in Punnayurkulam and Ponnani government taluk hospital.
