Alert ID	Publication Date	Reporting Date	Place Name	News Source/Publication Language
6814	04.07.2022	06.07.2022	Kupwara Jammu & Kashmir	www.brighterkashmir.com/English http://brighterkashmir.com/karnah-hit-by-foot-and-mouth-disease-among-livestock
Title:	Karnah hit by Foot and Mouth Disease among livestock in Kupwara district, Jammu & Kashmir			
Action By CSU, IDSP -NCDC	Information communicated to DSU - Kupwara, SSU- Jammu & Kashmir			

Residents of entire Karnah Tehsil are worried lot as livestock have been impacted by the outbreak of the foot-and-mouth (FMD) disease.

The cases are being reported from the Zarla, Gandoori, Kuthnaar, Taar and other bahak's of Karnah.

Locals said there are over 50,000 animals including sheep, cows, horses, goats that are being grazed on daily basis in these areas.

“This disease has affected hundreds of animals while it is spreading thick and fast.”

The disease is communicable and is infecting animals rapidly they said that even after vaccination, some animals developed this disease.

They said animals are getting weak as the intake of food has become lvery difficult for them due to this disease.

Milk production has been affected as well, said locals.

Meanwhile, officials said that they are in the field and are trying their best to control the disease.
