Title:	15 persons fell ill due to leakage of chlorine gas in Murshidabad, West Bengal			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Murshidabad, SSU- West Bengal			

15 persons fell ill after a container of chlorine gas leaked during the demolition of an old water tank reservoir in the Public Health Engineering dept of Murshidabad in West Bengal, reported ANI.

People complained of suffocation, were rushed to Lalbagh Subdivision Hospital. JCBs at work broke an old water tank by mistake.

Jiten Pal, Incharge Lalbagh Fire station confirmed that water used from fire engines to douse out gas at location. “2 seriously ill shifted to Baharampur Medical College,” added Pal.

Save Water- Save Life, Save a tree- Don't print unless it's really necessary!
