Title:	2 children die of suspected food poisoning after eating noodles, parathas in Sonipat, Haryana			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Sonipat, SSU- Haryana			

Two children, aged 7 and 5, died due to suspected food poisoning in Haryana's Sonipat. The incident was reported from Mayapuri Colony in the city, where three children of the same family fell ill after they consumed noodles, chowmein and parathas.

The children were taken to a hospital, where two of them passed away during treatment.

The deceased children were identified as Hema and Tarun.

Meanwhile, the police arrived at the scene after they received information about the incident and said an investigation into the matter was underway.

The exact cause of the deaths would be ascertained only after the postmortem report is received, the police said.
