No. T. 18015/02/2009-IDSP

Dated: March 6, 2012

To,
The Mission Directors
National Rural Health Mission,
All States/UTs

Sub: **Continuation of activities under Integrated Disease Surveillance Project (IDSP) during 12th Plan period**

Dear Sir/Madam,

The Integrated Disease Surveillance Project (IDSP) is being implemented as a Central Sector Scheme in the country since November 2004 with World Bank assistance till 2010 and with assistance from the World Bank and Domestic Budget till March 2012.

During 12th Five Year Plan (April 2012 onward) the programme is proposed to continue to be implemented as a Central Sector Scheme with domestic budgetary support. All components of IDSP are to be implemented as such. Any change in strategy or structure will be communicated in due course.

You are requested to continue all activities under IDSP, including engagement of the existing sanctioned contractual positions subject to satisfactory performance and filling up the vacant contractual positions.

Thanking you,

Yours faithfully,

(Manoj Pant)
Director
